How the Lighthouse Point Library Handles Returned Library Materials

Step 1: The Lighthouse Point Library is ONLY receiving returned materials through the outside drop box. PLEASE **DO NOT** BRING RETURNED MATERIALS INTO THE BUILDING. Materials checked out from other libraries should NOT be placed in the Lighthouse Point Library drop box.

Step 2: Multiple times a day, staff members wearing gloves and face coverings empty the outside drop box and clean both the outside and inside plastic covers of returned books, DVDs, and audiobooks with disinfecting wipes (Lysol, Clorox, etc.) and paper towels. Staff then also cleans the drop box with disinfectant spray. During this process, an auxiliary drop box at least 6 feet away from staff members may be used to receive patrons' returns.

Step 3: As of July 2021, the Library is only quarantining select items. After being cleaned MOST returned items are ready to be checked-in, shelved, or released to the next patron on the reserve list. If you have a returned item on your account for MORE than 72 business hours, please contact the library.

Please note select items may also be sanitized with a standing high intensity UV wand for 2 minutes per area. The UV wand the Library uses is the HygenX Vray High Intensity Portable and Cordless UV-C Sanitizer.

REMINDER

**The Friends of the Library are NOT accepting
the donation of books or materials**

The Friends of the Library are currently unable to accept any book or materials donations. Due to safety concerns, any donation left outside of the building, in the drop box, or on the grounds must immediately be sent to the dumpsters.

Monday, Wednesday, and Friday
and

10:00pm – 6:00pm

Tuesday and Thursday

REMEMBER
Services and hours are
being added regularly
so call the Library at
954-946-6398 for the
most up to date
information.

Phone lines and next business day curbside take-out is available Mon, Wed, Friday 10am-4pm and Tues, Thurs, 10am to 6pm. Residents may request a curbside pickup time of 6pm-8pm on Tuesdays. Please contact the Library for details.

During your visit...

A facial mask (covering both nose and mouth) is required for all unvaccinated individuals at all times.

Social distancing is required between household groups.

Visits are limited to 60-minutes per patron, per-day.

When 75% maximum Library capacity is reached, entry becomes "one out, one in".

Returned library materials must be placed in the outdoor drop box before entering the building.

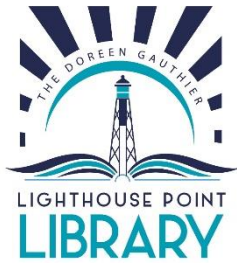

Thank you for your patience and understanding as we continue to safely reopen services...

During this phase of reopening the following services are **not yet available**:

Patron computers, printers, meeting/study rooms, puzzles, and print newspapers/magazines.

Additionally the Friends are not accepting donations of books or materials.

All City offices including the Library will be closed on Monday, September 6 (Labor Day).
