Who are the Friends?

The Friends of the Lighthouse Point Library are a 501(c)(3) organization whose mission is to support literacy, programming, collections, and volunteers at the Library and throughout the Lighthouse Point community.

What do the Friends do?

The Friends work closely with Library staff to pinpoint enhancements that will best benefit Library patrons of all ages. The Friends then raise supplemental funds that allow Library programs, collections, services, and technology to move to the next level.

What enhancements have the Friends supported?

Throughout this catalog, you will see "**Supported by the Friends of the Lighthouse Point Library**". Summer 2022 programs supported by the Friends include: Adult Zoom Book Club, All Ages StoryWalk, Family Storytimes, Youth STEAM Labs, Watercolor Basics, Makerspace Crafts, Global Board Games, reading challenge prizes and a Library Treasure Hunt.

In 2020 and 2021 the Friends buoyed youth and adult programming throughout the pandemic by supporting materials for Adult Book Clubs, a 'Pandemic Safety' coloring book for families, Grab and Go craft kits for all ages, STEAM take-home kits for kids, and antibacterial wipes for Curbside Takeout Bags.

Since their inception the Friends have supported the Library's wonderful corps of 70+ volunteers. This enables the Library to send each volunteer birthday greetings, get well cards, an annual appreciation event, and a small holiday thank you gift.
