THE NATURE OF FRAGILE THINGS *by Susan Meissner*

Sophie Whalen is a young Irish immigrant so desperate to get out of a New York tenement that she answers a mail-order bride ad and agrees to marry a man she knows nothing about. San Francisco widower Martin Hocking proves to be as aloof as he is mesmerizingly handsome. Sophie quickly develops deep affection for Kat, Martin's silent five-year-old daughter, but Martin's odd behavior leaves her with the uneasy feeling that something about her newfound situation isn't right.

You're back home after four years working abroad, new husband in tow. You're keen to find a place of your own. But for now, you're crashing in your big brother's spare room. That's when you meet the man next door. He's the head teacher at the local school. Twice your age. Extraordinarily attractive. You find yourself watching him. All the time. But you never dreamed that your innocent crush might become a deadly obsession. Or that someone is watching *you*.

EXILES *by Christina Baker Kline*

Seduced by her employer's son, Evangeline, a naïve young governess in early nineteenth-century London, is discharged when her pregnancy is discovered and she is sent to the notorious Newgate Prison. After months in the fetid, overcrowded jail, she learns she is sentenced to "the land beyond the seas," Van Diemen's Land, a penal colony in Australia. Though uncertain of what awaits, Evangeline knows one thing: the child she carries will be born on the months-long voyage to this distant land.

4:00pm | Wednesday | April 12, 2023

THE BEEKEEPER OF ALEPPO *by Christy Lefteri*

Nuri is a beekeeper and Afra, his wife, is an artist. Mornings, Nuri rises early to hear the call to prayer before driving to his hives in the countryside. On weekends, Afra sells her colorful landscape paintings at the open-air market. They live a simple life, rich in family and friends, in the hills of the beautiful Syrian city of Aleppo—until the unthinkable happens. When all they love is destroyed by war, Nuri knows they have no choice except to leave their home. But escaping Syria will be no easy task: Afra has lost her sight, leaving Nuri to navigate her grief as well as a perilous journey through Turkey and Greece toward an uncertain future in Britain.

THE WORST HARD TIME *by Timothy Egan*

The dust storms that terrorized the High Plains in the darkest years of the Depression were like nothing ever seen before or since. Egan rescues this iconic chapter of American history from the shadows in a tour de force of historical reportage. Following a dozen families and their communities through the rise and fall of the region, Egan tells of their desperate attempts to carry on through blinding black dust blizzards, crop failure, and the death of loved ones.

2:00pm | Monday | January 23, 2023

AMERICAN PAIN *by John Temple*

The king of the Florida pill mills was American Pain, a mega-clinic expressly created to serve addicts posing as patients. From a fortress-like former bank building, American Pain's doctors distributed massive quantities of oxycodone to hundreds of customers a day, mostly traffickers and addicts who came by the vanload. American Pain chronicles the rise and fall of this game-changing pill mill, and how it helped tip the nation into its current opioid crisis.

THE LIBRARY BOOK *by Susan Orlean*

On the morning of April 29, 1986, a fire alarm sounded in the Los Angeles Public Library. As the moments passed, the patrons and staff who had been cleared out of the building realized this was not the usual fire alarm. The fire was disastrous: it reached 2000 degrees and burned for more than seven hours. By the time it was extinguished, it had consumed four hundred thousand books and damaged seven hundred thousand more. Investigators descended on the scene, but more than thirty years later, the mystery remains: Did someone purposefully set fire to the library—and if so, who?

KILLERS OF THE FLOWER MOON *by David Grann*

In the 1920s, the richest people per capita in the world were members of the Osage Indian nation in Oklahoma. After oil was discovered beneath their land, they rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. Her relatives were shot and poisoned. And it was just the beginning, as more and more members of the tribe began to die under mysterious circumstances.

WHAT IS CDBG?
WHAT SENIOR CLASSES ARE BEING OFFERED?

HOW DO I ENROLL & REGISTER?
HOW DOES THE WAITLIST WORK?

CDBG SENIOR PROGRAMS

Each year the City of Lighthouse Point applies for CDBG funding for Library Senior Programs.

The receipt of this funding is NOT guaranteed from year to year. Per grant guidelines, CDBG programs are ONLY open to Lighthouse Point residents who are ages 62 and over.

The CDBG grant and senior programs are coordinated by Library staff.

WHAT DOES CDBG FUND?

CDBG funding covers a portion of participants' supplies (such as books, yoga mats, or watercolor paints/brushes), select in-Library equipment (such as iPads or printers), the use/cleaning of facilities, and the staff time required to teach and coordinate each CDBG class session.

HOW DO I ENROLL IN THE CDBG PROGRAM?

Enrollment in the CDBG program must be done in-person at the Library.

Proof of City residency, age, and a signed FY22/23 CDBG enrollment form are required.

CDBG enrollment is valid from October 01, 2022 to September 30, 2023.

HOW DO I GET A SPOT IN A CDBG CLASS?

There are multiple announcements for the CDBG registration lottery each season.

Past announcements have included the City newsletter, Library website, banners at intersections, bulk emailing, and posters in the Library.

While the lottery is open, residents who are fully enrolled in the CDBG program may select which classes they would like to attend. They rate their selections by assigning each class a number (1=First choice, 2=Second choice etc.).

When the lottery closes, residents are selected at random for space in each class.

Every effort is made for lottery participants to get in to at least one CDBG class per season.

IS THERE A WAITLIST FOR CLASSES THAT ARE FULL?

Yes. When a class becomes full, a waitlist is started. If a spot opens, participants are pulled from the waitlist by lottery. Per grant guidelines, priority is given to waitlist participants who have NOT attended ANY CDBG course since October 01, 2022 (unserved residents).

WHAT HAPPENS IF I NEED TO MISS A CLASS?

It is each participant's responsibility to let the Library know if they require an extended absence.

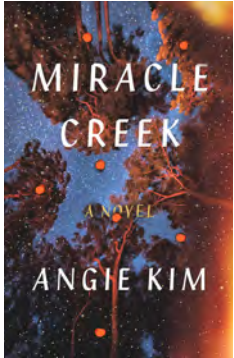

Participants who miss TWO sessions in a row, without any notification to Library staff will lose their spot in the class.

CDBG ZOOM BOOK CLUB

IN-PERSON REGISTRATION REQUIRED. THIS IS AN ONLINE CLASS THROUGH ZOOM

MIRACLE CREEK by Angie Kim

Debut Novel. In 2008 in a small town in Virginia, a group of people know each other because they're part of a special treatment center, a hyperbaric chamber that may cure a range of conditions from infertility to autism. But then the chamber explodes, two people die, and it's clear the explosion wasn't an accident. A powerful showdown unfolds as the story moves across characters who are all maybe keeping secrets, hiding betrayals. Chapter by chapter, we shift alliances and gather evidence: Was it the careless mother of a patient? Was it the owners, hoping to cash in on a big insurance payment and send their daughter to college? Could it have been a protester, trying to prove the treatment isn't safe?

4:00pm | Wednesday | February 15, 2023

THE MAGNOLIA PALACE by Fiona Davis

Eight months since losing her mother in the Spanish flu outbreak of 1919, twenty-one-year-old Lillian Carter's life has completely fallen apart. For the past six years, Lillian was one of the most sought-after artists' models in New York City. But with her mother gone, a grieving Lillian is rudderless and desperate—the work has dried up and a looming scandal has left her entirely without a safe haven. So when she stumbles upon an employment opportunity at the Frick mansion—a building that, ironically, bears her own visage—Lillian jumps at the chance. But the longer she works as a private secretary for Helen Frick, the daughter of industrialist and art patron Henry Clay Frick, the more deeply her life gets intertwined with that of the family, pulling her into a tangled web where the stakes just may be life or death.

4:00pm | Wednesday | March 15, 2023

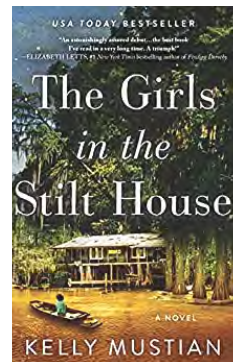

CLARK AND DIVISION by Naomi Hirahara

Chicago, 1944: Twenty-year-old Aki Ito and her parents have just been released from Manzanar, where they have been detained by the US government since the aftermath of Pearl Harbor. The Itos are being resettled two thousand miles away in Chicago, where Aki's older sister, Rose, was sent months earlier and moved to the new Japanese American neighborhood near Clark and Division streets. But on the eve of the Ito family's reunion, Rose is killed by a subway train. Aki is stunned. Officials are ruling Rose's death a suicide. Aki cannot believe her optimistic sister would end her life. Her instinct tells her there is much more to the story, and she knows she is the only person who could ever learn the truth.

4:00pm | Wednesday | April 19, 2023

THE GIRLS IN THE STILT HOUSE by Kelly Mustian

Debut Novel. 1920s Mississippi: Ada promised herself she would never go back to the Trace, to her hard life on the swamp and her harsh father. But now, after running away to Baton Rouge and briefly knowing a different kind of life, she finds herself with nowhere to go but back home. And she knows there will be a price to pay with her father. Matilda, daughter of a sharecropper, is from the other side of the Trace. Doing what she can to protect her family from the whims and demands of some particularly callous locals is an ongoing struggle. She forms a plan to go north. As the two girls are drawn deeper into a dangerous world of bootleggers and moral corruption, they must come to terms with the complexities of their tenuous bond and a hidden past that links them in ways that could cost them their lives.
