CDBG PROGRAMS INFO PAGE

CDBG SENIOR PROGRAMS

Each year the City of Lighthouse Point applies for CDBG funding for Library Senior Programs.

The receipt of this funding is NOT guaranteed from year to year.

Per grant guidelines, CDBG programs are ONLY open to Lighthouse Point residents who are ages 62 and over.

The CDBG grant and senior programs are coordinated by Library staff.

WHAT DOES CDBG FUND?

CDBG funds a portion of each participants' supplies (such as books, yoga mats, watercolor paints, and strength bands), select in-Library equipment (such as iPads and chairs), the development and printing of course materials and informational handouts, the use/cleaning of facilities, and the staff time required to teach and coordinate each CDBG session.

HOW DO I ENROLL IN THE CDBG PROGRAM?

Enrollment in the CDBG program must be done in-person at the Library.

Proof of City residency, age, and a signed FY23/24 CDBG enrollment form are required.

CDBG enrollment is valid from October 01, 2023 to September 30, 2024.

HOW DO I GET A SPOT IN A CDBG Summer 2024 CLASS?

Spaces in CDBG funded classes are awarded through a registration lottery.

The Summer CDBG Lottery opens 10am Monday, April 22 and closes 4pm Friday, May 17.

While the lottery is open, residents who are fully enrolled in the CDBG program may select which classes they would like to attend. They rate their selections by assigning each class a number (1=First choice, 2=Second choice etc.). When the lottery closes, residents are selected at random for a space in each class. Every effort is made for all lottery participants to get in to at least one CDBG class.

The use of a lottery meets grant guidelines on equitable accessibility of grant funded programs and resources.

There are multiple announcements for the CDBG registration lottery each season. Past announcements have included the City newsletter, Library website, banners at intersections, bulk emailing, and posters in the Library.

Eligible residents who miss the lottery deadline will be entered into a second lottery as space permits.

Details about the CDBG Fall registration lottery will be released in late August.

IS THERE A WAITLIST FOR CLASSES THAT ARE FULL?

Yes. When a class becomes full, a waitlist is started. If a spot opens, participants are pulled from the waitlist by lottery. Per grant guidelines, priority is given to NEW CDBG participants who have NOT attended ANY CDBG course session since October 01, 2023 (unserved residents).

WHAT HAPPENS IF I NEED TO MISS A CLASS?

It is each participant's responsibility to let the Library know if they require an extended absence.

Registered participants may email Library@Lighthousepoint.com to notify the Library.

Participants who miss TWO sessions in a row, without any notification to Library staff will lose their spot in the class.

ADDITIONAL INFORMATION

Per Broward County's HUD approved Limited English Proficiency (LEP) all public notices and published citizen participation advertisements will include a statement in Spanish that services and program materials are available in Spanish upon request.

Según la disposición del Dominio Limitado del Inglés (LEP), aprobada por el HUD del condado de Broward, todos los avisos públicos y los anuncios de participación ciudadana publicados incluirán una declaración en español indicando que los servicios y los materiales de los programas están disponibles a pedido en español.
